This and much more is the tour of Siena and Pisa that offers you a day totally dedicated to beauty. A medieval city and **UNESCO** heritage site, the elegant city of **Siena** welcomes you among the **Tuscan landscapes** that embrace the area. The local guides will take you to the **Duomo**, the **Baptistry of San Giovanni** and the **Torre del Mangia**, with its history halfway between reality and legend. Traveling through the **land of Chianti** without tasting its flavors is like skipping one of **Tuscany's** best treasures. The tour will also take you to discover the regional specialties and a wine journey under the banner of local excellence. Sitting at the table tasting excellent wine and savoring local products is a great way to get acquainted with the lovely **San Gimignano**. Between saffron fields and typical indigenous vineyards, the city offers postcard views. After a walk in the historic center, you will cross the panoramic roads of the **Chianti** towards **Pisa**. The famous white marble and **Leaning Tower** awaits you and it will be the fantastic conclusion to this beautiful day dedicated to **Tuscany**.
